**Executive Round:**UniQ

It has been a bit quiet after the last few busy weeks. Unfortunately there have been no volunteers to help for Closet Space due to other commitments. MUSA not willing to accept responsibility for keys. All monies have been paid for outstanding money owed. Have finished MoU.

Closet Space

Have had good attendance lately – up to 6 at times. A Movie Night was held last meeting. There will be a personal safety speaker next month. Basis planning for the rest of the year is in place. There are several people who are willing to be involved in a support role, which is great. Wanganui branch has planning underway for the diversity conference. Still looking for support, please.

CoffeeQ

Mixed attendance in the last month. Some regulars have drifted away but there have occasionally had new members. The BBQ at the end of last year was successful. Might look at repeating it this year.

Lesbian Support

Good turnout for the last two meetings. Next meeting is Mini Golf and there is to be a Speaker for the one after that.

Club Q

It has been a busy month. There was an incident at a private function recently. There are further talks to come about it. The show is coming on well. Dress rehearsals are starting next week. Staff are still needed.

**General Business:**Support Group Keys

These will be organised by next meeting as well as looking into funding and information about the proposed new bar.

Audited Accounts

Rhonda will drop these off to Leslie so they can be sent to the Incorporated Societies.

Change of Signatories

Outgoing and incoming treasurers to finalise this at the bank.

Building

A new roof has been put on. As a result of the wet weather when the roof was being replaced, there was some flooding last Monday and Tuesday, but this is under control. The fluorescent tube lights need looking at, This is a Square Edge issue. Chris will investigate.
